

Commitment to Responsible Gambling

The Castello's Victorian Tavern is committed to providing the highest standards of customer care and responsible gambling. Our Responsible Gambling Code of Conduct describes how we do this.

Responsible gambling in a regulated environment is when consumers have informed choices and can exercise a rational and sensible choice based on their circumstances. It means a shared responsibility with collective action by the gambling industry, government, individuals and communities.

The Castello's Victorian Tavern Responsible Gambling Code of Conduct is available to all customers in community languages upon request.

The Castello's Victorian Tavern Responsible Gambling Code of Conduct is also available in community languages on our website.
